

Programmable Wi-Fi Remote Control with 2" LCD

OVERVIEW

Premium handheld remote provides primary whole-house control of entertainment and smart home devices – TV, cable box, A/V components, music systems, lighting, security cameras, door locks, thermostats, motorized shades and more. This high-performance remote with ergonomic design delivers two-way control of Total Control and compatible third-party products for the ultimate smart home experience.

- Programmable Wi-Fi handheld remote with vivid 2" color LCD
- Ergonomic design with backlit keypad, intuitive layout and finger grooves
- Controls 32 rooms of entertainment and integrated smart home technology
- Displays video from door stations and surveillance cameras
- Lithium-ion rechargeable battery, tabletop charging cradle, battery indicator
- Retains charge for 3-4 days of normal use after full charge
