

TRC-820 | HANDHELD REMOTE

Programmable Wi-Fi Remote Control with 2" LCD

OVERVIEW

High-performance handheld remote provides single-room control of entertainment and popular smart home devices – TV, A/V components, cable and satellite boxes, music systems, lighting, thermostats and more. This premium remote delivers two-way control of Total Control and compatible third-party products.

- Programmable Wi-Fi handheld remote with vivid 2" color LCD screen
- Provides single-room control of entertainment and integrated smart home devices
- Ergonomic design, hard button keypad and intuitive button layout
- Displays video from door stations and surveillance cameras
- Rechargeable battery retains charge for 4-5 days of normal use after full charge
